**Jacques Grégoire****Catholic University of Louvain, Louvain-la-Neuve, Belgium**

Emotions at school

Jacques Grégoire is Professor of Psychology at the Catholic University of Louvain, Louvain-la-Neuve, Belgium. He is the past president of the International Test Commission. Parallel to his academic career, he also works in private practice with children and adolescents in academic difficulties, where he regularly meets high ability youth. Jacques Grégoire's research interests are mainly in the area of psychological testing and assessment. In particular, he has focused on intelligence testing and the detection of learning disabilities. He is author and co-author of numerous scientific books and articles. He also coordinated the adaptation of the Wechsler intelligence scales into french language, as well as other tests.
